

Pipedream AFC Vibrating Curve Anal Vibrator

Instructions for use:

1. Turn the base (towards the right) located on the bottom of the vibrator, which is also the lid, to put the vibrator into operation.
2. The bottom of the vibrator also serves as a stepless vibration control.
3. Turn the base (towards the left) to turn the vibrator off.

Maintenance

Wash the vibrator with water and antibacterial soap. For a more thorough cleaning, use a cleaner designed for silicone erotic toys.

The vibrator is waterproof, so maintenance is very easy.

Storage

Store separately from other erotic toys in a dry and dark place.

Lubrication

Use only water and silicone based lubricants. Other lubricating gels could damage the surface of the toy!

Power supply

The vibrator is powered by a single 1.5V AAA battery.
