

With a built-in headphone jack and one-touch volume controls, you decide how you want to enjoy your late-night listening party. Simply push the power button to turn the volume up and cycle through seven volume settings, then press it again to lower the volume and cycle through the seven lower tones.

Hold the power button down for three seconds and your new fuck friend welcomes you with a warm greeting. When you're done with the fun, hold the button down again for three seconds and he signs off with a tempting goodbye message.

To charge, connect the included USB cord to the back of the voice box and plug the other end into a compatible power source. Charge time is approximately 1.5 hours. Run time is approximately 2 hours.

Remove the voice box when deep cleaning to avoid damaging the speaker.
Caution: Voice box is not waterproof.
