

PRETTY LOVE ARVIN VIBRATING EGG

User manual

CONTROL

- 1) Turn the egg on by pressing the button with the “squiggle” symbol on the remote control for about 3 seconds. The LED on the remote control will light up and vibrate gently.
- 2) By successive short presses of the button with the “squiggle” symbol, you can change the individual vibration programs.
- 3) Turn the egg off by pressing the button with the “squiggle” symbol on the remote control for about 3 seconds.

MAINTENANCE

After each use, rinse the product with lukewarm water.

We also recommend using an [erotic cleaner](#), which also helps to remove microscopic dirt.

Simply spray the product, leave it on for about 1 minute and then dry with a towel or cloth that does not leak fibers.

WATERPROOF

The product is **water resistant**, so maintenance is very easy.

Water resistant means that splashing water will fall on it, but you **MUST NOT submerge it in water!**

You could only immerse the product in water if it was **waterproof**.

The remote control is not waterproof or water-resistant!

LUBRICATION

Use only [water-based lubricants](#). Other lubricating gels could damage the surface of the aid and it could become sticky.

DRIVE AND CHARGING

The egg is powered by two AAA batteries.. For longer battery life, we recommend using alkaline or re-chargeable batteries. The remote control is powered by a AAA battery.

STORAGE

Store separately from other erotic aids in a dry and dark place.

PACKAGING CONTENTS

The package includes a vibrating egg and a remote control.
